CALIFORNIA PHYSICIAN IS ABSOLVED FROM BLAME IN DEATH OF CHILD

THREE-YEAR-OLD IS RUN OVER BY AN AUTOMOBILE

Chaffeur Unable to Stop Car in Time and Little Fellow Who Dodges in Path is Instantly Killed.

CORONER HEFFRAN HOLDS THE INQUEST

Dr. C. W. Yarnall of California, who last night in his automobile ran over Allen Reichard, the three-year-old son of Mr. and Mrs. George Reichard, and killed him, was this morning at a coroner's inquest held by Coroner J. T. Heffran, absolved from guilt in the death of the child, it being regarded as purely accidental. The funeral of the child will be held from the home of the parents in California Saturday, and interment will be in the Gibsonton cemetery. The services will be conducted by Rev. J. W. Harvey, of the Presbyterian church of California. The child is survived by the parents and three small sisters. The father was a well known barber of California.

Dr. Yarnall recently purchased a new automobile, which he intended to use in managing his political canvass of the county as a candidate for the Legislature. He had driven to the Normal, stopping on College avenue to allow his son to get out.

The Reichard boy had been playing on the street with some other youngsters, and was interested in a band concert which was being held on the campus. When Dr. Yarnall started the machine at a slow speed, he noticed the boy in his path, but went slow, and supposed the lad would get out of the way. Instead, just as the machine was about to pass on one side, the little chap dodged directly in front, and in an instant was rolled under the wheels. Dr. Yarnall was unable to stop the machine until life had been crushed out of the boy.

The tragedy was witnessed by a large number of persons, but Dr. Yarnall was not blamed. The body of the victim was at once removed to the home of the parents, and Coroner Heffran notified.

Baseball Team Is Being Formed at Local High School

A baseball team is being formed from the Charleroi High School to make a trip to Perryopolis in the near future for the purpose of playing the High School team of that place. It is likely that other games will be booked. The local High School is said to have some exceptionally good talent this year. Yesterday the team from the Senior and Junior class defeared one from theFreshman class by the score of 21 to 2.

Practice Tonight.

The Baptist team and the Washington Avenue Presbyterian teams of the Church league will hold their final practice for the opening of the league season at the ball ground tonight.

M. & W. RAILWAY COMPANY MUST BUILD AT BENTLEYVILLE OR FORFEIT

Unless the Monongahela and Washington Street Railway company begins operations the coming month in Bentleyvile the $1,000 bond will be forfeited to the borough. It is believed, however, that the work will be started before that time. A road has been completed from Mononaghela to the Carroll township line, and the company expects to have the line pushed to Bentleyville this year.

AUSPICIOUS OPENING OF "SNIPE HUNTING" SEASON

Young Butcher Taken Out Last Night for Little Excitement

NIGH SCARED TO DEATH

When He Hears Shots, He Runs and Turns Double Somersault Over Rope

The "snipe hunting" season has opened in Charleroi. Last night, it is stated, a few young fellows went out, taking with them a young butcher, who was to be the sole beneficiary in a pleasurable evening of progressive hades. The party were to visit at a house where formalities were supposed to be waived, and while the man of the house was alleged to be absent, the butcher and his guides were to enjoy themselves. Of course the man of the house might show up unawares—it is always best to be prepared for the worst—but then it was hardly expected on this evening.

The butcher, accompanied by one friend, was nearing the place where the house was supposed to be, two or three miles out, when suddenly there was a fusilade of bullets. The meat chopper's companion dropped, uttering the agonizing cry "I'm shot," and the butcher took the hint and ran. He no more than got started than he tumbled over a rope which had been stretched over the roadway, turned a double hand-spring landing, on his feet, but never stopped an instant.

He arrived in town a brief while later, sweat streaming down his face, and a scared look on his countenance. He was for looking up the police at once, but some friends intervened, and succeded in shutting him off from this idea, and sent him home. It was desired to keep the affair quiet, but the facts leaked out, and now the butcher is made to blush for his sinful inclinations.

CHARLEROI BRIGADE INVITED TO SEE SHOW AFTER DRILL TONIGHT

The members of the Charleroi Boys' Brigade are drilling every night now to prepare for the competitive drill to be held next week here, and are getting in good shape. After the drill tonight at 7 o'clock at the ball ground, the brigade will be guests of Manager William Crawford at the Star Theatre.

A. D. Hawkins of Brownsville is here to remain for some time.

"THE COUNTY FAIR" WITNESSED BY GOOD CROWD FIRST NIGHT

The first night's performance of "The Washington County Fair" produced at Turner Hall last night for the benefit of St. Mary's Episcopal church drew a fair and very appreciative audience. The "County Fair" was given under the direction of Miss Olive Weld of the Beck Entertaining company, and was well rendered.

There were really two parts to the "Fair,' one the typical back country fair and the other a number of musical numbers. The musical numbers were run in while the "Fair" was in progress.

The choruses were really the best part of the entertainment, and all of them were creditably rendered. The steps executed would do credit to professionals. The choruses were "Boogie Boo," Norma Bosson, and chorus; "Playing Hookey," 20 small boys; "Fluffy Ruffles," Miss Winifred Brown and chorus; "Up-to-date," Miss Georgia Parson, and chorus; "Pretty Things You Say," Miss Winifred Brown, Sam Endress and chorus; "Montana," Miss Margaret McDermott and chorus; "Oldsmobile," Bannister Roberts and chorus.

The Barth ochestra furnished music. The fair was humorous in the extreme, and the funny actions of the people taking part, as backwoodsmen, and visitors at the fair, caused many a hearty laugh. Among the parts best taken were those of Widow Smithers, Widower Jones, Giggling Sal and Handy Andy.

The show will be repeated tonight at Turner Hall. The sale for reserved seats started early this morning and a record breaking attendance is expected.

The patronesses are: Mrs. D. H. Johnson, Mrs. Richard A. Roberts, Mrs. Julia Vandergrift, Mrs. Emma McKean, Mrs. James S. Shepperd, Mrs. Eli Williams, Mrs. L. W. Shey, Mrs. A. W. Day, Mrs. E. W. Rote and Miss Laura Brown.

Jack T. Coliser of East Liberty, who opened up the Union News company's stand on Fifth street and McKean avenue, has returned to his home, and will be transferred elsewhere by the company to open some other stand. He was succeeded here by Mr. Kendrick of Mansfield, O.

Polite society has decreed that you must say "automobble," with the accent on the "o," instead of "automobeel," with the accent on the "beel."

COAL CENTER PEOPLE ANXIOUS TO HAVE REV. FATHER BARRY REMAIN

The laiety and congregation of St. Thomas' Aquineas Roman Catholic church of Coal Centre have drawn up a petition, signed by members and others requesting Rev. John Barry, the pastor, not to leave. The announcement was recently made that the relations of the pastor and church had been dissolved. The petition has been sent to Rt. Rev. J. F. Canevin bishop of Pittsburg for his consideration.

HOURS OF BRIGADE DRILL EARLIER THAN ANNOUNCED

WOMAN PREACHES STRONG SERMON AT BAPTIST CHURCH

At the First Bapitst church where revival services are being held, last night a woman preached for the first time, and created a deep impression. The woman was Mrs. C. S. Joshua, the wife of the pastor of the church, who spoke on the topic "Strong Christian Character." Mrs. Joshua through her elocutionary ability brought out pointed thoughts in the most effective way and gave the Baptist people, and others who attended the services one of the most interesting discourses they ever heard. The church was well filled last night. New chairs have been placed in the church room, and better accommodation made for handling a crowd.

Arranging For Reunion to Be Held Next Year

The committee from the Twenty-second Ringgold cavalry, composed of John M. Sutman, Adam Wickerham and Hopkins Moffitt, which went to Donora on Wednesday to arrange for the reunion of this command, met with a most cordial reception at the hands of the citizens of that town. They visited the various hotels, and consulted with the town burgess and leading members of the Sons of Veterans, all of whom gave the most positive assurance of assistance in making the reunion a success. The hotels will make the veterans a most generous concession, while the Sons of Veterans will take active charge of the affair, providing for the camp fire, as well as seeing that the town is properly decorated. The date selected for the reunion will likely be some time in August.

THE BAZAAR BEGINS IT'S ADJUSTMENT SALE

By reference to the full page advertisement of the Creditor's Adjustment Sale at the Bazaar, which appeared in the Mail yesterday, it will be seen that one of the most stupendous bargains sales of women's wear is in operation that was ever conducted in the town. The sale, which is being conducted by the Saville Salvage company of Pittsburg, started today and will contiuue for 10 days. A big reduction is being made on the immense stock.

Will be Started at 4:30 Instead of at 5:00 O'clock.

SUPPER WILL BE SERVED

Brigades Will March to Lutheran Church Where Boys Will be Fed.

The committee in charge of the arrangements for the competitive drill to be held next Friday between the Charleroi Boy's Brigade and the Monongahela and Monessen Cadets, have at the instance of the outside brigades changed the hour for the beginning of the drill from 5 o'clock to 4:30. The program prepared will occupy from 2 to 3 hours to render. After this supper will be served at the Lutheran church for the members of the three brigades the ladies of the congregation having this matter in charge.

Col. Coulter and the members of his staff who will come to act as judges in the contest will be taken care of by the committee.

The cup that is to be drilled for, should it go to another town than Charleroi, will be contested for again, the winning brigade to set the date. The friendly rivalry between the boys is causing much excitement in the three towns, and each place is backing its organization to win. The cup is now on display in J. W. McKean's window. It will be sent to Monongahela later, where it will be displayed at Harry Landefeld's store and then taken to Monessen for display.

From the interest that is being taken, if the weather is good, indications are that there will be one of the largest crowds that ever assembled in the ball park for the affair.

Tecolote Club Dance.

Invitations have been issued by the Tecolote Club of California, for a dance to be given in the club rooms on Friday evening, May 6. Jenkins orchestra of Charleroi will furnish the music. The committee in charge of arrangements for the affair is composed of T. J. Underwood, J. L. Springer, and Ray B. Drum.

Opening Saturday.

The new five and ten cent store on McKean avenue, of Jobes Brothers, will be opened to the public on Saturday, when the stock which the members of the firm have endeavored to make the finest will be displayed for the first time. It is intended to have the best that is possible to secure for the money.

WEST PENN CO. WORKING CENTER MUCH CHANGED

Two Street Car Lines Being Constructed in Westmoreland County, One to be Extended to River Later.

NOT ANXIOUS TO SELL SPEERS SITE

Owing to the fact, it is stated, that the working center of the West Penn Electric company has been gradually changed from the Brownsville region to the north east, and nearer to the operating center at Connellsville, the large generating plant which it was proposed to place along this valley, will not be erected, at least for a time. It was rumored that the plant would be erected on the company's ground at Speers, and indications still are that some time in the future this ground may be used, but for the present the company will satisfy themselves with some extensive improvements at the Connellsville plants.

The center has been changed partly through street car activities in Westmoreland county in the Greensburg-Irwin vicinity. The West Penn company is constructing a line from Greensburg to Latrobe, and one from Hunkerville to West Newton, the latter to eventually be extended to the Monongahela river.

It was intended to work around Brownsville which was the real geographical center of the West Penn company's great electric system, but the changes have made this inadvisable. It seems, however, that the company is gradually working to the river, and the fact that they refuse to dispose of their ground at Speers and that they do not exhibit much willingness in giving a price upon it to a prospective buyer, would indicate that it is being held for some future purpose.

Local Knights of Columbus Visit the Monessen Council

Twelve members of Charleroi Council No. 956, Knights of Columbus, went to Monessen last night, where they assisted in conferring the first degree upon nine candidates to be inducted into that council, No. 954. After the initiatory ceremonies the Monessen council entertained.

Contractors Will Start Work Soon On Donora Road

A car load of tools has arrived Donora from Thos Sweeney and company, headquarters at Pittsburg and work will be commmenced on the Donora-Monongahela brick road in a few days. The matter has been hanging fire for some time owing to some releases of damage, but things have been fixed up satisfactory now and the conractors intend to get busy at once.

Pittsburg May Secure Methodist Conference During the Year 1912

The General Conference of theMethodist Episcopal church, which meets every four years, may deliberate in Pittsburg for one month, beginning May 1, 1912. A committee from the minister's association has been looking up accommodtions, ways and means there, but has not yet reported.

Past coventions have been held in Baltimore, Md. and Los. Angeles, Cal.

More than 800 delegates attend these assemblages and a great number of others also come to the conference city besides the delegates, one half of whom are ministers and the rest lay members.

This conference is the great governing body of the church, which elects the bishops and in other ways determines the policy of the nominations. There are many sub-committees, several of which have from 100 to 150 members. There is always much work to be done and the delegate have to work hard in order to get it completed in the month's time allotted for it.

JOHN K. TENER

OF CHARLEROI

Subject to the Decision of the Republican Voters of the Twenty-Fourth District at the Primaries June 4

County Prohibition.

Differing widely from its attitude of two years ago, the Washington Observer states that it favors the enactment of a local option law "which will give to the people of each political unit—precinct, township, borough city county and State—the right to vote upon the liquor traffic upon the petition of a specified percentage of the electors." Incidentally the Observer states that "personally the editor of the Observer would favor a local option law with a county unit."

This last statement is the rock on which the temperance policy of the Observer has split with public opinion. The county unit would have a chance of making dry localities wet, the same as making them dry. Suppose for instance Washington county should vote wet. That would give license privileges to West Alexander, Burgettstown, Claysville West Middletown, Scenery Hill, Beallsville, California and Washington, where under the Brooks law the courts will not grant license in deference to public sentiment of the respective localities. While the sentiment in the most of these localities would undoubtedly be against license, the vote of the larger boroughs and townships might be sufficient to overcome that of the smaller places and thus force upon them conditions against their will. This would not be local option, and would be manifestly unfair and unjust.

There is a widespread sentiment in favor of local option with a tax creating district as a unit—boroughs, townships and residential wards of cities, which would put the issue squarely up to the people affected. State and county prohibition, because of the unjust conditions it might impose, is not popular. In spite of the optimism of radical prohibitionists, most people realize that a State or county might vote wet as well as dry, and if it does, wet conditions would be extended to the territory that is now dry by virtue of the Brooks law and the action of the license courts.

What Then.

In these days of radical thought and action, when nearly every one has a kick and a curse for the great industrial corporations, what would happen to the country generally if all of these concerns should shut down and quit business for a year? There are plenty of radical labor leaders who advocate a suspension of all labor in order to get a whack at the trusts and corporations. What would happen to the working people if the trusts, corporations and business concerns generally reversed the policy, and carried it into action, as they can do a whole lot better than the laboring class by reason of superior organization, greater resources and more able and efficient leadership?

What would happen to this country if all the mine owners would agree to keep every coal mine closed for a yaer; if the United States and every other steel manufacturing concern should decide on a year's shut down; if the Standard Oil company should decide to plug all its wells and cease production; if the numerous other trusts and corporations whose existence and operation excite puplic ire, were to shut down for a year in order to give a practical demonstration of what conditions would be without their existence? By so doing the public could readily be convinced whether or not conditions would be better or worse by the corporations' absence. Such a process would be expensive, to be sure, and the concerns would lose money, but the officials and the stockholders would not be fouund in the bread lines that would everywhere become the leading occupation during the suspension.

These are some of the things to think about when railing against corporations. These institutions are not perfect by any means, but they are necessary if an active instead of a passive policy is to be pursued in the world of progress. This hostile sentiment to corporations and to railroads in particular is having a deterrent effect in new developments. Corporations are not going to undertake expansions, nor new capital seek such investment, if there is the constant menace radical legislation to hamper and obstruct, and unless there is a regular and steady industrial development labor conditions will press heavily.

That Rural Route.

As every person in Charleroi is aware, the town has no rural postal route leading out into the rich and populous farming section on the west and south. Road improvements are gradually being made to connect up these sections, but so far as quick mailing facilities are concerned the route might as well be via Ft. Wayne and Chicago. Farmers cannot bank readily by mail in Charleroi, and the price lists and prospectuses the merchants send out are for the most part lost, as the bargain opportunities are likely to be gone by the time the mail is received.

It is also repeating ancient history to remark that Charleroi had a route once, but as the town was not "good" politically it was segregated, like the disorderly places in Pittsburg and other large cities. The time has now come when an effort should be made on the part of the business people here to get this route restored and others added. With two or three good rural postal routes leading out into the country the merchants here would be better able to compete with the large mail order houses of the cities that are making such inroads in the country trade.

The Nixon—Pittsburg.

"Everybody loves a lover," is an old saying. A new one is "everybody loves a good fellow." This later term has been unanimously adopted by the patrons of the Nixon Theatre in Pittsburg for George R. Allison the treasurer of that popular playhouse. Mr. Allison has a personality that makes friends for him with every one with whom he comes in contact. This wonderful popualrity has had something to do with Samuel F. Nixon's generosity in donating the use of the Nixon Theatre for Mr. Allison's testimonial, which will take place on Monday and Tuesday evenings, May 2 and 3. The play is "Is Matrimony a Failure," which will be presented by a company of Belasco players with a Belasco production.

It may not be out of place to tell our readers that Mr. Allison needs a testimonial more this year than ever before, as no later than last Tuesday he was operated upon for appendicitis at the Allegheny General Hospital.

New Duquesne—Pittsburg.

Next week at the New Dquuesne theatre the Harry Davis Stock company will be seen in a grand revival of that famous play "Camille," and the promise is given that the production will be one of the most noteworthy of the current season. Miss Mary Hall, who has jumped right into public favor will be seen as "Camille, a part she has frequently playd with marked success. Howell Hansel will be the "Armand," a part with which he is thoroughly familiar, while other members of the excellent company will be cast for parts for which they are best fitted. There will be a matinee every afternoon. Next Monday ladies attending the performances afternoon or evening will be presented with autograph souvenir photographs of Miss Hall.

The talented members of the Harry Davis stock company have clearly shown their ability to render any play in a most acceptable manner. Miss Hall by her clever acting in "The Climbers" this week, has cleverly demonstrated the wisdom of the management in securiing her to play leading roles. Miss Beatrice Noyes another new member of the company has also come in for much praise.

AMONG THE THEATERS

The Palace—Charleroi

Large crowds were in attendance at the Palace Theatre this week where the moving pictures of "Roosevelt in Africa" were presented. The two reels of scenes and incidents of the famous expedition gave a more realistic impression of the Dark Continent than one could gain from reading and descriptions. The pictures were produced by a London firm at great expense, and were presented in this country for the first time last week. Col. Roosevelt appears true to life, and the wild animals shown in their native lair are an education.

Thomas Peyton made a hit this week in "Ogalala," an illustrated song that is [illegible] catchy, while Miss Laura Lahew had a song "In the City Where Nobody Cares," whose words and slides appealed to the senses of the large audiences in attendance.

The two illustrated songs on for the rest of the week are "Italian Rag," published by Leo Feist, which is rendered by Thomas Peyton with fine effect, and "My Dream of the U. S. A.," published by Ted Snyder, and sung by Miss Laura Lahew. Both songs were produced last night and made a decided hit.

R&G CORSETS

Every pair guaranteed.

The Grand—Pittsburg.

The Grand's prorgam of high class vaudeville for the week beginning next Monday afternoon, May 2, will include a new European sensation, introducing Bobby Pandur and Brother. This is said to be a great novelty and its presentation next week will be Pittsburg's first opportunity to witness it.

Lola Merrill and Frank Otto are coming with a skit of farce and frivolity entitled "After the Shower."

There is a medley of songs in the act including "No Place For a Minister's Son" and "Yes, You Did," two numbers which have had a ripping success. Miss Merrill was formerly featured in the Broadway production of "The American Idea" and Mr. Otto is a whilom member of the vaudeville team of Carlin and Otto.

The Broadway comedy stars, Potts Brothers and their company, including Mabel Mely and Harold Mann, are going to give a farce of mistaken identity entitled "Double Trobules."

Tops, Toospy and Tops, a combination novelty act, will present a man, a woman and some clever canine comedians. A feature of this number will be the poses performed by the women with the dogs.

Barry and Wolford, known to vaudevillians as "the typical topical tickle ticklers," will present "It Happened on Monday," a skit of sidewalk patter and paradies. Mr. Barry and Miss Wolford comprise one of the teams whose salaries have had a skyrocket advance due to their enormous success.

The Arlington, 4, a quartet that enjoys national popularity, is another feature, and McDevitt and Kelly, eccentric dancers, are still another.

Some additional acts and a moving picture play are also on the program.

Special Suit Sale.

The Special Suit Sale at Berryman's is proving very attractive to the shoppers of this vicinity. Many came expecting to see cheap suits—but these suits are strictly new, late style suits and of a plain serge material. The Jacket is plain with black Moire collar—about 34 inch length. The skirt is a late pleated style—These are specially priced at $9.98. All the other suits go at reduced prices during the Anniversary Sale. Berryman's, Charleroi. 2142t

WHAT YOU HAVE BEEN WAITING FOR

Another successful season has passed and many of our patrons—the late buyers—are awaiting this clean-up sale, which usually takes place in June. We never did, nor do we now, claim that wehave a manopoly on the clothing market. What we say and we can prove it to the satisfaction of any intelligent person, that the high grades of clothing we make and the values we offer is made only possible by the facts that we are the only clothing manufactures in America selling direct to the public on the same margain of profit which all manufactures sell to retailers. Clowns Feature Circus Coming Here on May 9

Clever clowns are one of the reasons of the success of the Great Adam Forepaugh and Sells Brothers Big United shows. There are fifty of them picked from the theatres and royal courts of Europe and Asia. Each has his own characteristic methods of creating laughter.

All great clown acts have orignated with this circus. This season's performance has an unusual number of novelties in the way of faces, pantomines, skits, travesties and burlesques. There are hilarious antics taking place on every foot of ground beneath the big tent from the start to the finish of the show. Individual hits are made by comedians from the theatres of Germany and France, buffoons from famous Drury Lane, jesters from the court of Asatic kings, and burlesque artists from our own comic opera stage.

The performance is rich in amusement. There is a laugh every second. Men, women and children in the audience laugh whether they wish to or not. They can't help it. Ancient tricks and time worn devices, still in vogue with inferior shows, have been discarded by these up-to-date clowns. The result is refreshing.

In addition to the fifty clowns there are a number of burlesque trapeze and horizontal bar acts that are enough to make a horse laugh. Interest in the coming of the Adam Forepaugh and Sells Brothers circus to Charleroi, on Monday, May 9, has reached a high pitch. On show day the down town branch ticket office will be locatedd in Piper Bros., Drug Store. Reserved seats and admissions can be bought there at the regular prices. This is a feature that will be appreciated by those who dislike to brave thecrowds on the show grounds.

AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis.—"Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me."—MRS. EMMA LISE, 833 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

CAUSES DEBILITY

Here Are Facts Backed Up By a Strong Guarantee.

Catarrh causes debility. In our opinion, most people suffering from general debiilty have catarrh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarrh. In every case where our remedy fails to give entire satisfaction we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We will take all the risk; no one ele can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Rexall Mucu-Tone rarely fails to do as we claim. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarrh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the tonic and alterative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarrh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

We want you to try Rexall Mucu-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell us and the money you paid for the treatment will be returned without any argument whatever.

Reaxll Mucu-Tone comes in two siezs, 50c and $1.00 a bottle. Sold only at our store—The Rexall Store. John W. Carrol.

Their Son's Pretty Wife.

There's an old-fashioned house in an old-fashioned town, and an old-fashioned couple dwells there; the furnitur, too, is old-fashioned and brown, there's an old-fashioned clock by the stair. Now a new-fashioned daughter to this old-fashioned home, came one day bringing sunshine and cheer, and one of the very first plans that she laid, was to brighten this old place so drear. So she bought some Chi-Namel and soon to the place, was imparted a share of her own winsome grace, each room in the house gleams with beauty and life, and the old folks are proud of their boy's pretty wife. CALIFORNIA PHYSICIAN IS ABSOLVED FROM BLAME IN DEATH OF CHILD

THREE-YEAR-OLD IS RUN OVER BY AN AUTOMOBILE

Chaffeur Unable to Stop Car in Time and Little Fellow Who Dodges in Path is Instantly Killed.

CORONER HEFFRAN HOLDS THE INQUEST

Dr. C. W. Yarnall of California, who last night in his automobile ran over Allen Reichard, the three-year-old son of Mr. and Mrs. George Reichard, and killed him, was this morning at a coroner's inquest held by Coroner J. T. Heffran, absolved from guilt in the death of the child, it being regarded as purely accidental. The funeral of the child will be held from the home of the parents in California Saturday, and interment will be in the Gibsonton cemetery. The services will be conducted by Rev. J. W. Harvey, of the Presbyterian church of California. The child is survived by the parents and three small sisters. The father was a well known barber of California.

Dr. Yarnall recently purchased a new automobile, which he intended to use in managing his political canvass of the county as a candidate for the Legislature. He had driven to the Normal, stopping on College avenue to allow his son to get out.

The Reichard boy had been playing on the street with some other youngsters, and was interested in a band concert which was being held on the campus. When Dr. Yarnall started the machine at a slow speed, he noticed the boy in his path, but went slow, and supposed the lad would get out of the way. Instead, just as the machine was about to pass on one side, the little chap dodged directly in front, and in an instant was rolled under the wheels. Dr. Yarnall was unable to stop the machine until life had been crushed out of the boy.

The tragedy was witnessed by a large number of persons, but Dr. Yarnall was not blamed. The body of the victim was at once removed to the home of the parents, and Coroner Heffran notified.

M. & W. RAILWAY COMPANY MUST BUILD AT BENTLEYVILLE OR FORFEIT

Unless the Monongahela and Washington Street Railway company begins operations the coming month in Bentleyvile the $1,000 bond will be forfeited to the borough. A road has been completed from Mononaghela to the Carroll township line, and the company expects to have the line pushed to Bentleyville this year.

AUSPICIOUS OPENING OF "SNIPE HUNTING" SEASON

Young Butcher Taken Out Last Night for Little Excitement

NIGH SCARED TO DEATH

When He Hears Shots, He Runs and Turns Double Somersault Over Rope

The "snipe hunting" season has opened in Charleroi. Last night, it is stated, a few young fellows went out, taking with them a young butcher, who was to be the sole beneficiary in a pleasurable evening of progressive hades. The party were to visit at a house where formalities were supposed to be waived, and while the man of the house was alleged to be absent, the butcher and his guides were to enjoy themselves. Of course the man of the house might show up unawares—it is always best to be prepared for the worst—but then it was hardly expected on this evening.

The butcher, accompanied by one friend, was nearing the place where the house was supposed to be, two or three miles out, when suddenly there was a fusilade of bullets. The meat chopper's companion dropped, uttering the agonizing cry "I'm shot," and the butcher took the hint and ran. He no more than got started than he tumbled over a rope which had been stretched over the roadway, turned a double hand-spring landing, on his feet, but never stopped an instant.

He arrived in town a brief while later, sweat streaming down his face, and a scared look on his countenance. He was for looking up the police at once, but some friends intervened, and succeded in shutting him off from this idea, and sent him home. It was desired to keep the affair quiet, but the facts leaked out, and now the butcher is made to blush for his sinful inclinations.

CHARLEROI BRIGADE INVITED TO SEE SHOW AFTER DRILL TONIGHT

The members of the Charleroi Boys' Brigade are drilling every night now to prepare for the competitive drill to be held next week here, and are getting in good shape. After the drill tonight at 7 o'clock at the ball ground, the brigade will be guests of Manager William Crawford at the Star Theatre.

A. D. Hawkins of Brownsville is here to remain for some time.

"THE COUNTY FAIR" WITNESSED BY GOOD CROWD FIRST NIGHT

The first night's performance of "The Washington County Fair" produced at Turner Hall last night for the benefit of St. Mary's Episcopal church drew a fair and very appreciative audience. The "County Fair" was given under the direction of Miss Olive Weld of the Beck Entertaining company, and was well rendered.

There were really two parts to the "Fair," one the typical back country fair and the other a number of musical numbers. The musical numbers were run in while the "Fair" was in progress.

The choruses were really the best part of the entertainment, and all of them were creditably rendered. The steps executed would do credit to professionals. The choruses were "Boogie Boo," Norma Bosson, and chorus; "Playing Hookey," 20 small boys; "Fluffy Ruffles," Miss Winifred Brown and chorus; "Up-to-date," Miss Georgia Parson, and chorus; "Pretty Things You Say," Miss Winifred Brown, Sam Endress and chorus; "Montana," Miss Margaret McDermott and chorus; "Oldsmobile," Bannister Roberts and chorus.

The Barth ochestra furnished music. The fair was humorous in the extreme, and the funny actions of the people taking part, as backwoodsmen, and visitors at the fair, caused many a hearty laugh. Among the parts best taken were those of Widow Smithers, Widower Jones, Giggling Sal and Handy Andy.

The show will be repeated tonight at Turner Hall. The sale for reserved seats started early this morning and a record breaking attendance is expected.

The patronesses are: Mrs. D. H. Johnson, Mrs. Richard A. Roberts, Mrs. Julia Vandergrift, Mrs. Emma McKean, Mrs. James S. Shepperd, Mrs. Eli Williams, Mrs. L. W. Shay, Mrs. A. W. Day, Mrs. E. W. Rote and Miss Laura Brown.

Jack T. Coliser of East Liberty, who opened up the Union News company's stand on Fifth street and McKean avenue, has returned to his home, and will be transferred elsewhere by the company to open some other stand. He was succeeded here by Mr. Kendrick of Mansfield, O.

COAL CENTER PEOPLE ANXIOUS TO HAVE REV. FATHER BARRY REMAIN

The laiety and congregation of St. Thomas Aquineas Roman Catholic church of Coal Centre have drawn up a petition, signed by members and others requesting Rev. John Barry, the pastor, not to leave. The announcement was recently made that the relations of the pastor and church had been dissolved. The petition has been sent to Rt. Rev. J. F. Canevin bishop of Pittsburg for his consideration.

HOURS OF BRIGADE DRILL EARLIER THAN ANNOUNCED

Will be Started at 4:30 Instead of at 5:00 O'clock.

SUPPER WILL BE SERVED

Brigades Will March to Lutheran Church Where Boys Will be Fed.

The committee in charge of the arrangements for the competitive drill to be held next Friday between the Charleroi Boy's Brigade and the Monongahela and Monessen Cadets, have at the instance of the outside brigades changed the hour for the beginning of the drill from 5 o'clock to 4:30. The program prepared will occupy from 2 to 3 hours to render. After this supper will be served at the Lutheran church for the members of the three brigades the ladies of the congregation having this matter in charge.

Col. Coulter and the members of his staff who will come to act as judges in the contest will be taken care of by the committee.

The cup that is to be drilled for, should it go to another town than Charleroi, will be contested for again, the winning brigade to set the date. The friendly rivalry between the boys is causing much excitement in the three towns, and each place is backing its organization to win. The cup is now on display in J. W. McKean's window. It will be sent to Monongahela later, where it will be displayed at Harry Landefeld's store and then taken to Monessen for display.

From the interest that is being taken, if the weather is good, indications are that there will be one of the largest crowds that ever assembled in the ball park for the affair.

Tecolote Club Dance.

Invitations have been issued by the Tecolote Club of California, for a dance to be given in the club rooms on Friday evening, May 6. Jenkins orchestra of Charleroi will furnish the music. The committee in charge of arrangements for the affair is composed of T. J. Underwood, J. L. Springer, and Ray B. Drum.

Opening Saturday.

The new five and ten cent store on McKean avenue, of Jobes Brothers, will be opened to the public on Saturday, when the stock which the members of the firm have endeavored to make the finest will be displayed for the first time. It is intended to have the best that is possible to secure for the money.

WOMAN PREACHES STRONG SERMON AT BAPTIST CHURCH

At the First Bapitst church where revival services are being held, last night a woman preached for the first time, and created a deep impression. The woman was Mrs. C. S. Joshua, the wife of the pastor of the church, who spoke on the topic "Strong Christian Character." Mrr. Joshua through her elocutionary ability brought out pointed thoughts in the most effective way and gave the Baptist people, and others who attended the services one of the most interesting discourses they ever heard. The church was well filled last night. New chairs have been placed in the church room, and better accommodation made for handling a crowd.

Arranging For Reunion to Be Held Next Year

The committee from the Twenty-second Ringgold cavalry, composed of John M. Sutman, Adam Wickerham and Hopkins Moffitt, which went to Donora on Wednesday to arrange for the reunion of this command, met with a most cordial reception at the hands of the citizens of that town. They visited the various hotels, and consulted with the town burgess and leading members of the Sons of Veterans, all of whom gave the most positive assurance of assistance in making the reunion a success. The hotels will make the veterans a most generous concession, while the Sons of Veterans will take active charge of the affair, providing for the camp fire, as well as seeing that the town is properly decorated. The date selected for the reunion will likely be some time in August.

THE BAZAAR BEGINS IT'S ADJUSTMENT SALE

By reference to the full page advertisement of the Creditor's Adjustment Sale at the Bazaar, which appeared in the Mail yesterday, it will be seen that one of the most stupendous bargains sales of women's wear is in operation that was ever conducted in the town. The sale, which is being conducted by the Saville Salvage company of Pittsburg, started today and will contiuue for 10 days. A big reduction is being made on the immense stock.

WEST PENN CO. WORKING CENTER MUCH CHANGED

Two Street Car Lines Being Constructed in Westmoreland County. One to be Extended to River Later.

NOT ANXIOUS TO SELL SPEERS SITE

Owing to the fact, it is stated, that the working center of the West Penn Electric company has been gradually changed from the Brownsville region to the north east, and nearer to the operating center at Connellsville, the large generating plant which it was proposed to place along this valley, will not be erected, at least for a time. It was rumored that the plant would be erected on the company's ground at Speers, and indications still are that some time in the future this ground may be used, but for the present the company will satisfy themselves with some extensive improvements at the Connellsville plants.

The center has been changed partly through street car activities in Westmoreland county in the Greensburg-Irwin vicinity. The West Penn company is constructing a line from Greensburg to Latrobe, and one from Hunkerville to West Newton, the latter to eventually be extended to the Monongahela river.

It was intended to work around Brownsville which was the real geographical center of the West Penn company's great electric system, but the changes have made this inadvisable. It seems, however, that the company is gradually working to the river, and the fact that they refuse to dispose of their ground at Speers and that they do not exhibit much willingness in giving a price upon it to a prospective buyer, would indicate that it is being held for some future purpose.

Local Knights of Columbus Visit the Monessen Council

Twelve members of Charleroi Council No. 956, Knights of Columbus, went to Monessen last night, where they assisted in conferring the first degree upon nine candidates to be inducted into that council, No. 954. After the initiatory ceremonies the Monessen council entertained.

Contractors Will Start Work Soon On Donora Road

A car load of tools has arrived Donora from Thos Sweeney and company, headquarters at Pittsburg and work will be commenced on the Donora-Monongahela brick road in a few days. The matter has been hanging fire for some time owing to some releases of damage, but things have been fixed up satisfactory now and the conractors intend to get busy at once.

Pittsburg May Secure Methodist Conference During the Year 1912

The General Conference of theMethodist Episcopal church, which meets every four years, may deliberate in Pittsburg for one month, beginning May 1, 1912. A committee from the minister's association has been looking up accommodtions, ways and means there, but has not yet reported.

Past covantions have been held in Baltimore, Md. and Los. Angeles, Cal.

More than 800 delegates attend these assemblages and a great number of others also come to the conference city besides the delegates, one half of whom are ministers and the rest lay members.

This conference is the great governing body of the church, which elects the bishops and in other ways determines the policy of the nominations. There are many sub-committees, several of which have from 100 to 150 members. There is always much work to be done and the delegate have to work hard in order to get it completed in the month's time allotted for it.

Political Announcements

FOR CONGRESS

JOHN K. TENER

OF CHARLEROI

Subject to the Decision of the Republican Voters of the Twenty-Fourth District at the Primaries June 4

County Prohibition.

Differing widely from its attitude of two years ago, the Washington Observer states that it favors the enactment of a local option law "which will give to the people of each political unit—precinct, township, borough city county and State—the right to vote upon the liquor traffic upon the petition of a specified percentage of the electors." Incidentally the Observer states that "personally the editor of the Observer would favor a local option law with a county unit."

This last statement is the rock on which the temperance policy of the Observer has split with public opinion. The county unit would have a chance of making dry localities wet, the same as making them dry. Suppose for instance Washington county should vote wet. That would give license privileges to West Alexander, Burgettstown, Claysville West Middletown, Scenery Hill, Beallsville, California and Washington, where under the Brooks law the courts will not grant license in deference to public sentiment of the respective localities. While the sentiment in the most of these localities would undoubtedly be against license, the vote of the larger boroughs and townships might be sufficient to overcome that of the smaller places and thus force upon them conditions against their will. This would not be local option, and would be manifestly unfair and unjust.

There is a widespread sentiment in favor of local option with a tax creating district as a unit—boroughs, townships and residential wards of cities, which would put the issue squarely up to the people affected. State and county prohibition, because of the unjust conditions it might impose, is not popular. In spite of the optimism of radical prohibitionists, most people realize that a State or county might vote wet as well as dry, and if it does, wet conditions would be extended to the territory that is now dry by virtue of the Brooks law and the action of the license courts.

What Then.

In these days of radical thought and action, when nearly every one has a kick and a curse for the great industrial corporations, what would happen to the country generally if all of these concerns should shut down and quit business for a year? There are plenty of radical labor leaders who advocate a suspension of all labor in order to get a whack at the trusts and corporations. What would happen to the working people if the trusts, corporations and business concerns generally reversed the policy, and carried it into action, as they can do a whole lot better than the laboring class by reason of superior organization, greater resources and more able and efficient leadership?

What would happen to this country if all the mine owners would agree to keep every coal mine closed for a yaer; if the United States and every other steel manufacturing concern should decide on a year's shut down; if the Standard Oil company should decide to plug all its wells and cease production; if the numerous other trusts and corporations whose existence and operation excite puplic ire, were to shut down for a year in order to give a practical demonstration of what conditions would be without their existence? By so doing the public could readily be convinced whether or not conditions would be better or worse by the corporations' absence. Such a process would be expensive, to be sure, and the concerns would lose money, but the officials and the stockholders would not be fouund in the bread lines, that would everywhere become the leading occupation during the suspension.

These are some of the things to think about when railing against corporations. These institutions are not perfect by any means, but they are necessary if an active instead of a passive policy is to be pursued in the world of progress. This hostile sentiment to corporations and to railroads in particular is having a deterrent effect in new developments. Corporations are not going to undertake expansions, nor new capital seek such investment, if there is the constant menace radical legislation to hamper and obstruct, and unless there is a regular and steady industrial development labor conditions will press heavily.

That Rural Route.

As every person in Charleroi is aware, the town has no rural postal route leading out into the rich and populous farming section on the west and south. Road improvements are gradually being made to connect up these sections, but so far as quick mailing facilities are concerned the route might as well be via Ft. Wayne and Chicago. Farmers cannot bank readily by mail in Charleroi, and the price lists and prospectuses the merchants send out are for the most part lost, as the bargain opportunities are likely to be gone by the time the mail is received.

It is also repeating ancient history to remark that Charleroi had a route once, but as the town was not "good" politically it was segregated, like the disorderly places in Pittsburg and other large cities. The time has now come when an effort should be made on the part of the business people here to get this route restored and others added. With two or three good rural postal routes leading out into the country the merchants here would be better able to compete with the large mail order houses of the cities that are making such inroads in the country trade.

The Nixon—Pittsburg.

"Everybody loves a lover," is an old saying. A new one is "everybody loves a good fellow." This later term has been unanimously adopted by the patrons of the Nixon Theatre in Pittsburg for George R. Allison the treasurer of that popular playhouse. Mr. Allison has a personality that makes friends for him with every one with whom he comes in contact. This wonderful popualrity has had something to do with Samuel F. Nixon's generosity in donating the use of the Nixon Theatre for Mr. Allison's testimonial, which will take place on Monday and Tuesday evenings, May 2 and 3. The play is "Is Matrimony a Failure," which will be presented by a company of Belasco players with a Belasco production.

It may not be out of place to tell our readers that Mr. Allison needs a testimonial more this year than ever before, as no later than last Tuesday he was operated upon for appendicitis at the Allegheny General Hospital.

New Duquesne—Pittsburg.

Next week at the New Dquuesne theatre the Harry Davis Stock company will be seen in a grand revival of that famous play "Camille," and the promise is given that the production will be one of the most noteworthy of the current season. Miss Mary Hall, who has jumped right into public favor will be seen as "Camille, a part she has frequently playd with marked success. Howell Hansel will be the "Armand," a part with which he is thoroughly familiar, while other members of the excellent company will be cast for parts for which they are best fitted. There will be a matinee every afternoon. Next Monday ladies attending the performances afternoon or evening will be presented with autograph souvenir photographs of Miss Hall.

The talented members of the Harry Davis stock company have clearly shown their ability to render any play in a most acceptable manner. Miss Hall by her clever acting in "The Climbers" this week, has cleverly demonstrated the wisdom of the management in securing her to play leading roles. Miss Beatrice Noyes another new member of the company has also come in for much praise.

AMONG THE THEATERS

The Palace---Charleroi

Large crowds were in attendance at the Palace Theatre this week where the moving pictures of "Roosevelt in Africa" were presented. The two reels of scenes and incidents of the famous expedition gave a more realistic impression of the Dark Continent than one could gain from reading and descriptions. The pictures were produced by a London firm at great expense, and were presented in this country for the first time last week. Col. Roosevelt appears true to life, and the wild animals shown in their native lair are an education.

Thomas Peyton made a hit this week in "Ogalala," an illustrated song that is exceedngly catchy, while Miss Laura Lahew had a song "In the City Where Nobody Cares," whose words and slides appealed to the senses of the large audiences in attendance

The two illustrated songs on for the rest of the week are "Italian Rag," published by Leo Feist, which is rendered by Thomas Peyton with fine effect, and "My Dream of the U. S. A.," published by Ted Snyder, and sung by Miss Laura Lahew. Both songs were produced last night and made a decided hit.

The Grand—Pittsburg.

The Grand's porgam of high class vaudeville for the week beginning next Monday afternoon, May 2, will include a new European sensation, introducing Bobby Pandur and Brother. This is said to be a great novelty and its presentation next week will be Pittsburg's first opportunity to witness it.

Lola Merrill and Frank Otto are coming with a skit of farce and frivolity entitled "After the Shower."

There is a medley of songs in the act including "No Place For a Minister's Son" and "Yes, You Did," two numbers which have had a ripping success. Miss Merrill was formerly featured in the Broadway production of "The American Idea" and Mr. Otto is a whilom member of the vaudevilie team of Carlin and Otto.

The Broadway comedy stars, Potts Brothers and their company, including Mabel Mely and Harold Mann, are going to give a farce of mistaken identity entitled "Double Trobules."

Tops, Toospy and Tops, a combination novelty act, will present a man, a woman and some clever canine comedians. A feature of this number will be the poses performed by the women with the dogs.

Barry and Wolford, known to vaudevillians as "the typical topical tickle ticklers," will present "It Happened on Monday," a skit of sidewalk patter and paradies. Mr. Barry and Miss Wolford comprise one of the teams whose salaries have had a skyrocket advance due to their enormous success.

The Arlington, a quartet that enjoys national popularity, is another feature, and McDevitt and Kelly, eccentric dancers, are still another.

Some additional acts and a moving picture play are also on the program.

Special Suit Sale.

The Special Suit Sale at Berryman's is proving very attractive to the shoppers of this vicinity. Many came expecting to see cheap suits—but these suits are strictly new, late style suits and of a plain serge material. The Jacket is plain with black Moire collar—about 34 inch length. The skirt is a late pleated style—These are specially priced at $9.98. All the other suits go at reduced prices during the Anniversary Sale. Berryman's, Charleroi. 214zt

We never did, nor do we now, claim that wehave a manopoly on the clothing market. What we say and we can prove it to the satisfaction of any intelligent person, that the high grades of clothing we make and the values we offer is made only possible by the facts that we are the only clothing manufactures in America selling direct to the public on the same margain of profit which all manufactures sell to retailers. AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me." — MRS. EMMA LUSE, 833 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

Clowns Feature Circus Coming Here on May 9

Clever clowns are one of the reasons of the success of the Great Adam Forepaugh and Sells Brothers Big United shows. There are fifty of them picked from the theatres and royal courts of Europe and Asia. Each has his own characteristic methods of creating laughter.

All great clown acts have orignated with this circus. This season's performance has an unusual number of novelties in the way of faces, pantomines, skits, travesties and burlesques. There are hilarious antics taking place on every foot of ground beneath the big tent from the start to the finish of the show. Individual hits are made by comedians from the theatres of Germany and France, buffoons from famous Drury Lane, jesters from the court of Asatic kings, and burlesque artists from our own comic opera stage.

The performance is rich in amusement. There is a laugh every second. Men, women and children in the audience laugh whether they wish to or not. They can't help it. Ancient tricks and time worn devices, still in vogue with inferior shows, have been discarded by these up-to-date clowns. The result is refreshing.

In addition to the fifty clowns there are a number of burlesque trapeze and horizontal bar acts that are enough to make a horse laugh. Interest in the coming of the Adam Forepaugh and Sells Brothers circus to Charleroi, on Monday, May 9, has reached a high pitch. On show day the down town branch ticket office will be locatedd in Piper Bros., Drug Store. Reserved seats and admissions can be bought there at the regular prices. This is a feature that will be appreciated by those who dislike to brave thecrowds on the show grounds.

CAUSES DEBILITY

Here Are Facts Backed Up By a Strong Guarantee.

Catarrh causes debility. In our opinion, most people sufferng from general debiilty have catarrh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarrh. In every case where our remedy fails to give entire satisfaction we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We will take all the risk; no one ele can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Rexall Mucu-Tone rarely fails to do as we claim. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarrh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the tonic and alterative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarrh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

We want you to try Rexall Mucu-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell us and the money you paid for the treatment will be returned without any argument whatever.

Rexall Mucu-Tone comes in two siezs, 50c and $1.00 a bottle. Sold only at our store—The Rexall Store. John W. Carrol.

Their Son's Pretty Wife.

There's an old-fashioned house in an old-fashioned town, and an old-fashioned couple dwells there; the furnitur, too, is old-fashioned and brown, there's an old-fashioned clock by the stair. Now a new-fashioned daughter to this old-fashioned home, came one day bringing sunshine and cheer, and one of the very first plans that she laid, was to brighten this old place so drear. So she bought some Chi-Namel and soon to the place, was imparted a share of her own winsome grace, each room in the house gleams with beauty and life, and the old folks are proud of their boy's pretty wife. All colors of Chi-Namel varnishes and Ready-to-Use Graining Process for sale at our store. Sold by T. P. Grant. 25h

CHI-NAMEL. 85

Some Pittsburg people seem to think it funny because a Chinese prince was scared at the roar of the big mills. Most any stranger would feel uncomfortable if compelled to breath that smoke, and view the huge machinery the first time and dodge sparks.
